Easy to use Hose Builder

Build your own hose assembly through internet on-line ordering system. Take the guesswork out stratoflex hoses and fittings. Easy and simple to use, the A.E.R.O. hose builder will take you through a hose assembly step-by-step and assist you in ordering the correct size fittings, hose type, length, and fire sleeve. Your order will be processed by the capable A.E.R.O. hose shop and sent to you within 1 to 2 days. No need to purchase expensive hose and fitting installation tools.

COMING SOON!!!
